

Insights Hub from **facebook**

Terms and Conditions

Your use of Facebook is governed by [Facebook's Statement of Rights and Responsibilities](#) including all terms, conditions and policies incorporated therein (collectively, the "SRR"). The SRR is incorporated herein by this reference. By participating in any way, including, without limitation, submitting your email address or other details, you agree to these Insights Hub Terms and Conditions ("terms") which are in addition to (and not in lieu of) the SRR. The Insights Hub including, without limitation, any surveys, application or other communications relating to the Insights Hub are deemed as part of "Facebook" under the SRR. Participation in the Insights Hub is open only by invitation to developers who are at least the age of majority in their jurisdiction of residence.

Facebook may use the data you submit in connection with your request to join the Insights Hub to evaluate whether we consider you for the Insights Hub, how we manage the Insights Hub, and as described in our [Data Use Policy](#). You agree that you will comply with such identification verification and other security steps as Facebook may require. You also agree that Facebook may accept or deny your request to participate in its sole discretion without any explanation, consideration, or liability to you.

You agree that your participation in the Insights Hub is a privilege and not a right and that Facebook does not owe you anything and has no liability to you in connection with your participation. Your membership of the Insights Hub may be terminated by Facebook in its sole discretion without notice at any time. You may unsubscribe from the Insights Hub at any time as well. Instructions on how to end participation in the Insights Hub can be found in the [FAQs](#).

Your responses to any surveys or other research methods sent by Facebook through the Insights Hub are collected and shared in accordance with our [Data Use Policy](#). All responses to surveys will be collected anonymously and reported in aggregate to be used for research purposes only. Facebook may periodically access and review information previously collected about your usage behaviors related to Facebook developer products and [Developers.Facebook.com](#) in accordance with our [Data Use Policy](#).

Your responses to any Insights Hub surveys or other research methods, including without limitation, any ideas or opinions regarding Facebook's products or services, provided in any form, including comments on or suggested changes to Facebook's current or future products or services, are the property of Facebook and may be used by Facebook for any purpose whatsoever. You agree that Facebook may independently develop or third parties may provide ideas, opinions, and feedback that are similar or identical to yours, and that you will have no claim of any kind in connection with any such similarity. You agree to promptly take such steps exactly as Facebook may reasonably require transferring any rights subsisting in your responses to Facebook.

As part of the Insights Hub, you may receive Facebook confidential information. You are only permitted to use Facebook confidential information strictly in relation to providing feedback to Facebook as part of participating in the Insights Hub, and you will not disclose any Facebook confidential information to any third party. Facebook reserves the right to take such action as it deems necessary to protect its confidential information, including, without limitation, terminating your participation in the Insights Hub, if it has any reason to suspect that you have breached the confidentiality obligations in these terms.

These terms may be updated from time to time by posting a link to them in communications to Insights Hub participants. The updated terms will be effective as of the time they are made available via a link to participants. The updated terms will apply to your participation in Insights Hub beginning as of their effective date.

If at any time, you object to any of the language within these terms or any subsequent modifications to these terms, or become dissatisfied with the Insights Hub, you agree that your only recourse is to immediately discontinue participation in Insights Hub and properly unsubscribe in the manner provided above.

Insights Hub from **facebook**

The Insights Hub is void where prohibited by law. You agree not to participate in the program if it is illegal to do so in your jurisdiction. In Facebook's sole discretion, it may assign these terms in whole or in part without notice to you. You may not assign these terms without Facebook's prior written consent. If any provision(s) of these terms is held to be unenforceable, then such provision(s) will be construed, as nearly as possible, to reflect the intentions of the parties with the other provisions remaining in full force and effect. Nothing contained in these terms will be construed as creating any agency, partnership, or other form of joint enterprise between you and Facebook. You agree that these terms will not be construed against Facebook by virtue of Facebook having drafted these terms.
