Registration Requirements

In order to receive invitations to participate in surveys on the GroupMeating Community (called the Community in the remainder of the document), you must first register as a Member of the Community by providing us with accurate, complete and updated registration information as required by the profiling survey.

The profiling survey will ask you questions about your gender, age, your habits and attitudes, family status, and so on.

To ensure the integrity of the Community, you may not (i) activate or use more than one Member profile account; (ii) use a name subject to rights of another person without authorization from that person; (iii) use a false or misleading name, address, or email address to activate or use an account; or (iv) provide any false or misleading information. If we have reason to believe that you have violated any of these provisions, we reserve the right to suspend or terminate your access to use of and/or participation in the community.

You are responsible for all usage or activity on your account, including use of the account by any third party (which is prohibited).

Membership in the Community is open only to persons residing in Canada and who are 18 years of age or older.

Community Participation

As a Member, you must be willing to participate in at least one survey per quarter (3 months). Your participation is completely voluntary, and there is no obligation for you to participate in every survey we conduct. However, we reserve the right to terminate your account if you do not complete a survey for more than 3 consecutive months.

Members are invited to participate in surveys based on demographic information or randomly, depending on the survey criteria. We do not guarantee any minimum number of surveys and you acknowledge and agree that we are under no obligation to provide you with a set number of opportunities to participate in surveys.

Points & Redemption

From time to time we may offer sweepstakes, with prizes to randomly selected Members (in which cases we will clearly identify invitations that provide entry to sweepstakes and provide a direct link to the related sweepstakes rules and regulations).
