A: FAN Insiders is a virtual extension of our Family Advisor Network (FAN) – a positive, solutions-oriented collaborative of current and former Children's Health patients, their families, and our team members. Members are invited to participate in activities and surveys to weigh in on numerous and diverse subjects, including planning and design, quality of care, naming decisions, design concepts, website content, and patient family experience to name a few.

A: By joining FAN Insiders, you will have the opportunity to influence and shape the future of our health system!
