

This website ("Site"), the Family Advisor Network ("FAN") FAN Insiders Site, is solely owned by Children's Health. Vision Critical is a third-party company used to host and power the data collection and analytics for the FAN Insiders Site. Information obtained through the FAN Insiders Site is kept secure and confidential, and maintained by the Children's Health Site Administrator.

By accessing and using the Site, you agree to the following "Terms of Use" and all applicable laws. If you do not agree to these terms, you are not permitted to access the Site. Children's Health reserves the right to update or change the terms of use or the Site at any time without notice to you. The most current version of the terms of use can be reviewed by revisiting this page.

Terms of Use

Site Experience

Through this Site, Children's Health provides you with tools to give us important feedback to improve our patient experience and quality of care (together "Services"). Services on the Site allow you to engage with other Children's Health patient families.

Site Administrator reserves the sole right to restrict community member activity and review, edit and/or delete any comments it deems are inappropriate. Comments including but not limited to the following may be deleted or edited by the Site Administrator: abusive or hurtful comments; off-topic and redundant comments (including but not limited to promotion of events, groups, pages, websites, organizations and programs not related to or affiliated with the hospital); comments that use offensive language or "hate speech" (including, but not limited to, racial, ethnic or gender bashing language); personal attacks or defamatory statements or comments (i.e., making negative personal or untrue comments about a participant).

This Site and the Services, including any updates, enhancements, and new features are subject to these Terms of Use.

Personal and Non-Commercial Use of Limitation

You may view and download material on the Site solely for your own personal and non-commercial use. You must keep all copyright and other proprietary notices on any copies of the material you use from this Site. You may not modify, copy, distribute, transmit, display, perform, reproduce, publish, license, create derivative works from, transfer, or sell any information or services obtained from the Services.

Prohibited Activities

Certain activities are prohibited on this Site, with the Services, and on the network and servers supporting this Site (the "Network"). Prohibited activities include, but are not limited to, using the Services, Network, or Site in such a manner as to damage, destruct, impair in any way, disable, overburden, or introduce computer viruses to the Site, attempting to access restricted areas of the Site through any means, using slanderous or profane language in any areas involving communications of the Site, or interfering with the use of this Site by another party. Children's Health will have no responsibility or liability arising from any error, defamation, libel, slander, omission, falsehood, obscenity, pornography, profanity, danger or inaccuracy contained in any information on the Site. Children's Health will fully cooperate with any law enforcement authorities or court order requesting or directing Children's Health to disclose the identity of anyone posting any such information or activities.

We reserve the right to terminate or deny access to you if you engage in any prohibited activity.

No Practice of Medicine

This Site is not engaged in the practice of medicine. Any information and advice on the Site is given on a generalized, generic basis, and is not specific to any individual patient's condition. Use of this Site is helpful in making you informed about healthcare issues and use of this Site does not create a care provider-patient relationship. On-line health services and health information cannot replace a health professional-patient relationship, and you should always consult with a professional for diagnosis and treatment of any specific health problems. You should not disregard any advice or treatment from your health professional based on your interpretation of what you may read on this Site.

Privacy and Protection of Personal Information

Children's Health is strongly committed to protecting the privacy of its patients and members of the FAN Insiders community. The Site collects information about members by using the information provided by such members while interacting on the Site and through other internal sources. All individual member information entered online through surveys, forms or other sources will only be used for internal purposes and will not be released to external entities or corporations.

Children's Health will store volunteered information on secure servers. Only Site Administrators have access to the information and data on the Site. Individual community members do not have access to any information of other members unless shared by the respective member through an open community forum. Access for troubleshooting software and system

maintenance may include authorized users from Vision Critical to assist. Authorized Vision Critical users will have limited access to the FAN Insiders community and only allowed access with the knowledge of and/or at the request of a Children's Health Site Administrator.

We view information collectively from all members of the community to evaluate trends and inform Children's Health operations. Such collective information obtained from the FAN Insiders community members may be used for marketing campaigns via social media or other publications. Your individual member information will never be shared by Children's Health unless you provide written permission or unless you post or transmit it to the open community as set forth below.

Any personal information, communication or material that a community member posts/transmits to the open community on the Site will be treated as non-confidential and non-proprietary, and not governed by our Notice of Privacy Practices. If you choose to post/transmit your health information to the open community, such post or transmission by you will be a disclosure by you and not by Children's Health. Any such disclosure by you is not subject to our Notice of Privacy Practice.

You agree to maintain the confidentiality of your individual member username and password for the FAN Insiders Site.

The Notice of Privacy Practices, found [here](#), is in compliance with HIPAA and all other relevant federal and state statutes.

Link to Third Party Sites

Children's Health websites may provide links to official federal, state or local government websites, quasi-government agency and government sponsored websites and websites created by public sector/private sector partnerships when those sites contain information helpful to our users. No links to other websites or references to third parties are intended to be endorsements of a third party's products or services. The information practices of third-party websites are not covered by these Terms of Use or any other policies or terms of this service. Be sure that you know the terms of use and privacy policy of any linked website before using it.

Liability

Children's Health and/or its respective suppliers make no representations about the suitability of the information contained in the information and related graphics published as part of the Services for any purpose. All Such information and related graphics are provided "As Is" without

warranty of any kind. Children's Health and/or its respective suppliers hereby disclaim all warranties and conditions with regard to this information, including all warranties and conditions of merchantability, whether express, implied or statutory, fitness for a particular purpose, title and non-infringement. In no event shall Children's Health and/or its respective suppliers be liable for any special, indirect or consequential damages or any damages whatsoever resulting from loss of use, data, or profits, whether in an action of contract, negligence or other tortious action, arising out of or in connection with the use or performance of information available from the Services. Children's Health assumes no responsibility and will have no liability for any circumstances arising out of the use, misuse, interpretation, or application of any information supplied on this Site. Please note that some jurisdictions may not allow the exclusion of implied warranties, so some of the above exclusions may not apply to you. Check your local laws for any restrictions or limitations regarding the exclusion of implied warranties. Children's Health also assumes no responsibility, and cannot be liable for any damages to, or viruses that may infect, your computer equipment or other property on account of your access to, use of, or browsing in the Site, or your downloading of any materials, data, text, images, video, or audio from the Site.

Trademarks

The trademarks, logos, and service marks (collectively, "Trademarks") displayed on this Site are registered and unregistered Trademarks of Children's Health and other Third-party content providers in the U.S. and/or other countries. No Trademark displayed on this Site may be used without written permission of the owner of such Trademarks. Misuse of these Trademarks, or any other content on this Site, is strictly prohibited. You are also advised that Children's Health will enforce its intellectual property rights. Any rights not expressly granted herein are reserved.

Property Rights

Images of people or places displayed on the Site are either the property of Children's Health or third parties. The use of these images by you, or anyone authorized by you, is prohibited unless specifically permitted by these Terms of Use or specific permission is provided by Children's Health. Any unauthorized use of these images may violate copyright laws, trademark laws, the laws of privacy and publicity, and communications regulations and statutes. The trademarks, logos, and service marks (collectively the "Trademarks") displayed on the Site are registered and unregistered Trademarks of Children's Health and others. No Trademark displayed on the Site may be used without the written permission of the party that may own the Trademarks displayed on the Site. Your misuse of the Trademarks displayed on the Site, or any other

content on the Site, is strictly prohibited. You are also advised that Children's Health will aggressively enforce its intellectual property rights to the fullest extent of the law.

Copyright Notice

You may not copy, reproduce, republish, post, retransmit, or distribute in any way any of the information contained in this Site without prior written consent of Children's Health. Unless otherwise noted, everything that you see or read on this Site is copyrighted.

The Digital Millennium Copyright Act of 1998 (the "DMCA") provides recourse for copyright owners who believe that material appearing on the Internet infringes their rights under U.S. copyright law. If you believe in good faith that materials appearing on this Site infringe your copyright, you (or your agent) may send us a notice requesting that the material be removed, or access to it blocked.

Social Media Disclaimer

The opinions and/or views expressed on Children's Health's social media platforms, including, but not limited to, the Children's Health Dallas Event app, our blogs, widgets, Facebook, Twitter, LinkedIn and YouTube pages, represent the thoughts of individual contributors and online communities, and not those necessarily of Children's Health or any of its corporate affiliates or any of their respective directors, officers, employees, medical staff or members of its respective board of directors. The opinions and views expressed on these pages do not in any way reflect the views of the Site they are posted on, other sites affiliated with the Site, the staff involved with maintaining the Site or any members of the Site.

By submitting content (comments, stories, photos, etc.) to any of Children's Health's social media sites, you understand and acknowledge that this information is available to the public, and that Children's Health may use this information for internal and external promotional purposes and fundraising purposes. Please note that other participants may use your posted information beyond the control of Children's Health.

Availability Outside of the US

Since the Site may be accessed from sources internationally, the Site is not directed to anyone outside of the United States, and Children's Health does not do business outside of the United States.
